

## Call for Resolutions and By-Law Amendments for Consideration at the 68th Annual General Meeting

Each year, members have an opportunity to suggest resolutions and by-law changes for consideration at the annual general meeting. Our annual general meeting is being held this year virtually on September 29th. Following is information to help you consider your submissions.

**The deadline for submitting proposed resolutions or by-law amendments for consideration at the upcoming Annual General Meeting is June 11, 2021.** Send your proposals to Community Living Ontario c/o Terri Meshwork [terri@communitylivingontario.ca](mailto:terri@communitylivingontario.ca)

Do not worry about putting your proposed resolutions or by-law amendments into a specific motion; we can assist with the format after you submit your proposed changes. Let us know as clearly as possible what you think should be put forward for consideration and provide a brief background as to why you feel this is important.

Resolutions may be submitted by any member, a Friend of Community Living Ontario, the Board, and any group designated within the terms of these bylaws to represent self-advocates.

### Resolutions

Our bylaws in Section 6.6 outline the purpose and the process for resolutions.

### By-laws

Section 16 of the bylaws outline the process to consider amendments to the bylaws.

A copy of the bylaws (amended in 2019) can be found on the Community Living Ontario website.
