

## INFORMATION SHARING TELECONFERENCES -- MEETING NOTES -- Monday, February 3, 2020 8:30 am - CONFIDENTIAL

### 1. Welcome and review agenda

- David Ferguson welcomed everyone and reviewed the meeting agenda. Michelle Palmer sent her regrets for this call.

### 2. Meeting Format Information

- These teleconferences are very confidential. Notes are taken; however, they will not be distributed, nor to be printed. They are posted, for online viewing only, on the OASIS LR secure website and on Community Living Ontario's EZnet. For assistance viewing these please contact Dave Ferguson at [dferguson@ocapdd.on.ca](mailto:dferguson@ocapdd.on.ca) (for OASIS) or Chris Beesley at [chris@communitylivingontario.ca](mailto:chris@communitylivingontario.ca) (for Community Living Ontario).
- To ensure a clean, clear line please mute your phone when you are not speaking. To do this please press \* followed by the number 1. To un-mute press \*, again followed by 1.
- PLEASE DO NOT PUT THE CALL ON HOLD or PARK.
- We will start with Provincial updates and then call on only those with an open collective agreement.
- ***UPDATE: Please note that the beeps for people joining and leaving the conference call were removed. We have a large number of participants on these calls and the constant beeping was not only annoying (especially on a Monday morning), it also made hearing the conversations difficult. So, we just want to let everyone know, in case you are wondering what happened to the beeps.***

### 3. Provincial Network Update – Dave Ferguson

- Part of the last couple meetings (November and January) Rupert Gordon, ADM, and his group attended (at that time it was 1.5 years before a ministry rep. attended any of the meetings. At the January meeting there was a discussion on the 24/7 crisis line (there hasn't been much take on in the province), on the MovingOn subcommittee's work. November minutes will be sent out soon, followed by the January meeting in a couple weeks.

### 4. OASIS Update – Dave Ferguson

- Meeting was held in January. Next meeting is scheduled for February in Toronto. The preliminary report on the 2019 Operating Pressures Survey has been tabled. OASIS pre-budget submission has been shared.
- Conference information is expected to come out in February – scheduled for after the long weekend in May, Tuesday to Friday, in Deerhurst. Register early to secure your spot!

### 5. Workforce Stability/Development Services Advisory Group (DSAG) – Dave Ferguson

- No update.

### 6. Provincial Network HR Committee Update – Eugene Versteeg

- No update.

### 7. Community Living Ontario Update – Chris Beesley

- No update.

### 8. Non-union Agencies' Update – All non-union agencies

- Nothing at this time.

### 9. Other items – David Ferguson for Michelle Palmer

- Rick Hill from CL Walkerton raised a question re. agencies that settled just after Bill 148 – cost related to this change (min. wage, equal pay for equal work, holiday pay calculation) has been costly for many agencies. There was a period of time between when Bill 148 was enacted and the election next Spring when the Province did a survey on the costs incurred by agencies. CL Walkerton was affected by the equal pay part of Bill 148 and is not compensated for the cost that it is around \$170,000/year.
  - Dave Ferguson will take this to OASIS to be brought to the Ministry's attention. The Operations Survey results indicated that some agencies (a small number) got funding this year again related to Bill 148 cost, some didn't. Further investigation will be done to see if this was an error in response or if it really happened.
- Another question was discussed. Reduction of Employee Group Benefits at age 65 caused a policy grievance at CL Walkerton and arbitration is scheduled. If any other agencies experienced a similar situation, please contact Rick Hill at [rhill@clwalkerton.org](mailto:rhill@clwalkerton.org).
- Next call: **March 2, 2020 @ 8:30 am.** These teleconferences are currently held every four weeks, until further notice.

**10. Alphabetical listing of agencies – David Ferguson for Michelle Palmer**

- Agencies with an open collective agreement provided updates (see below).

Call adjourned at 9:15 am.

<b>Bruce Peninsula Association for Community Living</b> , Michele Bell (ED), Lisa McCartney		Mar. 31/21, OPSEU	40			Aug./18 Negotiation We concluded negotiations with OPSEU after 3 days of bargaining. Our negotiations were pleasant and cooperative.	Our financial settlement consisted of \$0.28 per year in each of the three years of the agreement (approximately 1% increase each year and the same deal they had received a few weeks earlier from another agency in Bruce County with the same Union Rep).	We have minor language changes re. scheduling to reflect what our practice actually is and Bill 148 language that says “employer will provide entitlements as per the Employment Standards Act”. We did not imbed Bill 148 language in the CA. This was not a contentious issue.
