

ANNE STAFFORD LIGHT UP THE FUTURE BURSARY APPLICATION FORM

Vision:

Beneficiaries of the Anne Stafford Light up the Future Bursary will have an enhanced social role as a result of their pursuit of a personal development opportunity.

Background and Purpose:

Anne worked for Community Living Ontario for almost 30 years, helping our movement in many ways, including the pursuit of alternatives to institutionalization. The Light up the Future Bursary was started in 1993 in honour of Anne's retirement, in hopes of leaving a legacy that would support people who have an intellectual disability to pursue personal development opportunities.

The bursary has been supported by fundraising efforts at Community Living Ontario, fundraising, and the generous donations of many member organizations.

Criteria:

The bursary is open to Ontario residents aged 18 and older who have been identified as having an intellectual disability and are seeking to pursue a professional development opportunity through an educational program or personal interest course.

Please include a description of the course with the application. Please also include course prerequisites, if applicable (i.e. if the course you would like to take has any requirements such as another course or specific level of education), and indicate whether you possess them.

2018 Recipient:

Sam Forbes
Anne Stafford Bursary Recipient
Humber College Student

Deadline:

Applications will be accepted up to **4:00 pm on Friday, June 28, 2019.**

Condition of Bursary Acceptance:

Should your application be selected and you do not attend the course, you agree to return the money within one (1) month from the day you received the money. If you cannot complete the course, you agree to notify Community Living Ontario within one (1) month.

Application Process:

The attached application form must be completed and sent to:

awards@communitylivingontario.ca or
