

## JASON RAE LEADERSHIP AWARD NOMINATION FORM

We are pleased to announce that we will be awarding the second annual Jason Rae Leadership Award at the Community Living Ontario Conference in Thunder Bay on September 19, 2019.

### Background and Purpose:

“Pride”, “Integrity”, “Disciplined”, “Gifted”, and “Nothing left undone” are just a few words that define Jason. He was an exemplary, civic-minded role model to his community and those he was close to. A “service-minded role model” who did not let his disability get in the way of his passion for life, Jason was a contributing member of the Trent Hills community, actively involved with Advocates for Community Education, a two-term president of Community Living Campbellford/Brighton’s Board of Directors, and a member of many boards and committees focused on inclusion.

The award is intended for a person who has shown exemplary dedication to inclusion and giving back to their community. \$1,000 will also be awarded to the recipient in recognition of the leadership undertaken and the contributions they have made.

### Criteria:

The award will go to a person who has demonstrated that he or she:

- Is involved in the community and giving back;
- Is not afraid to speak up and help others find their voice;
- Uses leadership skills, both with Community Living and in the community;
- Is active in standing up for people’s rights; and
- Believes in people’s abilities and the value of everyone being a part of the community

## 2018 Recipient

Chris Grayson, Executive Director of Community Living Upper Ottawa Valley and Jennifer Grol, Jason's wife, presented the award to Doris Weber, the 2018 recipient of the Jason Rae Leadership Award.
