

S U P P O R T U S

Community Living Ontario's youth outreach initiative, **Re:Action4Inclusion**, is raising money to support Community Change Projects.

These projects allow youth who have an intellectual disability to be seen for their leadership and contributions alongside their peers who do not have a disability.

On **October 20, 2019**, we are participating in the Scotiabank Toronto Waterfront Marathon to raise funds to support **youth-led Community Change Projects**.

Please help us reach our fundraising goal of **\$10,000**.
