

A project about young adults with intellectual/developmental disabilities and belonging

Do you have a family member who has an intellectual/ developmental disability? Do they feel like they belong? Don't belong?

- Is your family member between 18 and 35 years old?
- Do you live in the Greater Toronto Area (GTA)?
- Do you want to share your take on your family member's experiences of belonging?
- Are you willing to do on audio recorded interview?

If you said yes to all of these, you could get
