

NOTICE OF 69th ANNUAL GENERAL MEETING

For the past two years, Community Living Ontario has hosted its Annual General Meetings virtually, due to the COVID-19 pandemic making it impossible to safely meet in-person. Now that we are beginning to see health and safety restrictions lift across the province, Community Living Ontario is planning on hosting its 69th Annual General Meeting in-person. However, we also recognize that the pandemic is far from over, and that everyone has different levels of comfort and risk. For this reason, we will also be offering the option to participate virtually.

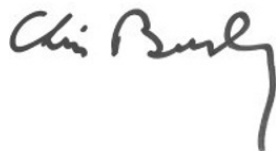

According to our by-laws, the Notice of Meeting must be made public a minimum of 12 weeks ahead of the AGM. Given the current circumstances, Community Living Ontario would like to give you as much advance notice as possible. Therefore, we are providing this notice now to advise that an Annual General Meeting of Community Living Ontario will be taking place on Wednesday September 14, 2022.

Article 6.3 of the Community Living Ontario By-Laws as it relates to the Annual General Meeting states that:

1. Notice of meetings shall include the time and place of the meeting, the agenda and notices of Motions and Resolutions where applicable under these by-laws.
2. Notice shall be given to all members, current and incoming Directors. Notice of the Annual General Meeting shall also be provided to all designated Friends of Community Living Ontario and Community Living Ontario's auditor.

We look forward to your participation at this meeting.
