Message from the President and CEO

While every Community Living Ontario (CLO) conference is highly anticipated, this year's Inspiring Possibilities AGM & Conference holds special significance as we mark a historic milestone — celebrating 70 years of advocacy, action, and education. We're so pleased that you're able to join us.

Indeed, it's with great pride that we address you, our delegates — member organizations, self-advocates, families, speakers, sponsors, staff, and other guests — at this important event. This year, as we celebrate seven decades of proactivity and progress, our conference provides an opportunity to reflect on past achievements, acknowledge the challenges we continue to face, and reaffirm our unwavering dedication to promoting real inclusion, accessibility, and equality.

We have curated a remarkable lineup of speakers and sessions designed to ignite thoughtful discussion and meaningful action. Our goal is to not only celebrate the progress we've made but to challenge ourselves to do more and be better advocates for change.

Of course, we're thrilled that CLO Ambassador, Ali Hassan, is here to provide a keynote presentation and MC our gala evening. And speaking of galas, we're pleased that this year marks the return of the Inspiring Possibilities Awards. On Thursday evening, you'll not only be treated to an unforgettable night of laughs, tributes, conversation, and music, but learn about our 2023 award winners who are championing innovation and inclusion.

Finally, we couldn't write a welcome message without acknowledging the many individuals who are mentors and leaders to us all. People who worked diligently to build the Community Living movement from the ground up. We've incorporated several tributes within the conference to highlight these pioneers.

We encourage all of you to participate actively, share your experiences, and embrace this opportunity to learn from one another. By doing so, we'll fortify our collective influence for a more equitable and compassionate future in our communities across Ontario.

Again, thank you for joining us at this year's Inspiring Possibilities AGM & Conference. We look forward to engaging and insightful discussions over the coming days.

With warm regards,

Michael J

Message du président et du directeur général

Bien que chaque conférence d'Intégration communautaire Ontario (CLO) soit très attendue, l'AGA et la conférence Inspiring Possibilities de cette année revêtent une importance particulière alors que nous marquons une étape historique - célébrant 70 ans de revendication, d'action et d'éducation. Nous sommes ravis que vous puissiez vous joindre à nous.

En effet, c'est avec une grande fierté que nous nous adressons à vous, nos délégués - organisations membres, auto-représentants, familles, conférenciers, sponsors, personnel et autres invités - lors de cet événement important. Cette année, alors que nous célébrons sept décennies de proactivité et de progrès, notre conférence offre l'occasion de réfléchir sur les réalisations passées, de reconnaître les défis auxquels nous continuons de faire face et de réaffirmer notre engagement inébranlable à promouvoir une véritable inclusion, accessibilité et égalité.

Nous avons organisé une gamme remarquable de conférenciers et de sessions conçues pour déclencher des discussions réfléchies et des actions significatives. Notre objectif est non seulement de célébrer les progrès que nous avons réalisés, mais aussi de nous mettre au défi d'en faire plus et d'être de meilleurs défenseurs du changement.

Nous sommes ravis que l'ambassadeur d'Intégration Communautaire Ontario, Ali Hassan, soit ici pour faire une présentation principale et animer notre soirée de gala. Et en parlant de galas, nous sommes heureux que cette année marque le retour des prix Inspiring Possibilities. Le jeudi soir, vous aurez non seulement droit à une soirée inoubliable de rires, d'hommages, de conversations et de musique, mais vous en apprendrez plus sur nos lauréats 2023 qui sont des champions de l'innovation et l'inclusion.

Et, enfin, nous ne pourrions pas écrire un message de bienvenue sans remercier les nombreuses personnes qui sont des mentors et des leaders pour nous tous. Des gens qui ont travaillé avec diligence pour bâtir le mouvement d'intégration communautaire à partir de zéro. Nous avons incorporé plusieurs hommages au sein de la conférence pour mettre en valeur ces pionniers.

Nous vous encourageons tous à participer activement, à partager vos expériences et à saisir cette occasion d'apprendre les uns des autres. Ce faisant, nous renforcerons notre influence collective pour un avenir plus équitable et plus compatissant dans nos communautés partout en Ontario.

Encore une fois, merci de vous joindre à nous à l'AGA et à la conférence Inspiring Possibilities de cette année. Nous attendons avec impatience des discussions engageantes et perspicaces au cours des prochains jours.

En vous remerciant chaleureusement,

Michael J
